 Summary: "Much can be learned about life and growing up from Graceanne's book."--Library Journal "Growing up is always hard, but even more so for Whitney's young protagonists who live in the tumultuous 1960s, on the wrong side of the tracks, with an abusive mother. Charlie, a quiet, club-footed, nine-year-old boy, narrates this story of his creative, smart, and wild older sister, Graceanne. He watches her become a teenager through beatings and other punishment and shares her innermost ideas and pain by reading her diary. After their mother confiscates the diary, he continues to keep her stories in his head. Graceanne incurs their mother's wrath for a number of reasons--the friendship of their next door neighbor (a black girl named Wanda), ice sculptures of a mixed-race baby Jesus, baseball games, and a college boyfriend named Collier--and yet, grows up a survivor. It is the unbreakable spirit of both Charlie and Graceanne that keeps this story afloat. While hurting along with them through the abuse, readers will cheer for them as they struggle to grow up."--Ellie Barta-Moran, Booklist "[A] wonderful novel . . . Between...
