Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

St Martin s Press, United States, 2012. Board book. Book Condition: New. 148 x 96 mm. Language: English . Brand New Book. This multi-sensory first word and picture board book is a stimulating introduction to animals for infants and toddlers. Simple photographs, one per page, of real-life animals from around the house, neighborhood or zoo are set on colorful backgrounds to capture children s focus and attention. The brightly colored combined shaker teether has soft rounded corners for little ones to chew and a fun rattle for them to shake. Stimulating for infants developing senses, this book will grow with your baby as they get older and are able to identify the animals and words inside.
