Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

MARKET MANAGEMENT AND PROJECT BUSINESS DEVELOPMENT

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Market Management and Project Business Development, Hedley Smyth, Market Management and Project Business Development is a guide to the theory of marketing and selling projects in business, demonstrating how to secure and deliver value, and improve performance in profitable ways. By providing a set of key principles and guidelines to business-to-business (B2B) marketing, construction project management expert Hedley Smyth demonstrates how to use marketing and business development principles to maximise the value of a project. The book takes a step-by-step approach by dealing with each stage in a project's lifecycle in turn, covering a range of approaches including the marketing mix, relationship marketing and its project marketing variant, entrepreneurial marketing and the service-dominant logic. This book is valuable reading for all students and specialists in project management, as well as project managers in business, management, the built environment, or indeed any industry.
