Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

(Dr. Lukas Hills DDS)

BATTLE READY (PAPERBACK)

Penguin Putnam Inc, United States, 2013. Paperback. Book Condition: New. Reprint. 229 x 152 mm. Language: English . Brand New Book. Marine general Tony Zinni was known as the quot;Warrior Diplomatquot; during his nearly forty years of service. His credentials as a soldier were impeccable, whether he was leading troops in Vietnam, commanding hair-raising rescue operations in Somalia, or - as Commander in Chief of CENTCOM - directing strikes against Iraq and Al Qaeda. But it was as a peacemaker that he made just as great a mark - conducting dangerous troubleshooting missions all over Africa, Asia, and Europe, and then serving as Secretary of State Colin Powell s special envoy to the Middle East, before disagreements over the 2003 Iraq war and its probable aftermath caused him to resign.quot; Battle Ready follows the evolution of both General Zinni and the Marine Corps, from the cauldron of Vietnam through the operational revolution of the 70s and 80s, to the new realities of the post-Cold War, post-9/11 military - a military with a radically different tools for accomplishing it. Opinions differ sharply about just what that job and those tools should be - and General Zinni makes it clear where he stands.
