POCKET NOTEBOOK (PAPERBACK)

Cornerstone, United Kingdom, 2010. Paperback. Book Condition: New. 212 x 136 mm. Language: English . Brand New Book. Meet Jacob Smith. Your good-old British policeman. The sort revered around the world. But Jacob s no ordinary tit-wearing beat bobby. He s a tactical firearms officer - a handsome, popular, financially secure specialist, no less. He s also married, with two children; a connoisseur of fine cinema, who also enjoys the occasional hit from his expansive collection of do-it-yourself art DVDs (the latest of which was borrowed from a flat during a drugs warrant); an amateur historian, with a keen interest in the Vietnam War. And he does like to keep himself in shape, hence the rather large steroid habit - and the even larger amount of money he owes to his dealer. And did we mention he s partial to women s feet? That the local shoe shop is his lap-dance palace? And the girlfriend, his little Christmas treat to himself, who s desperately trying to shrug him off now it s the New Year? Or what about his parents - do we really need to go there? And now his family and friends are starting to worry about our Jake .and his police superiors are increasingly taking notice of the way he conducts himself. As you can see, Jake s a very busy boy. And his life is about to get a lot more complicated. Pocket Notebook is the debut novel from serving police officer Mike Thomas. An angry black comedy, it follows Jacob s very public breakdown and subsequent fall from grace, all of which he meticulously records in his police notebook.
