By Peter Hoggarth, David Woodward

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Roar!: Animal Rights Handbook, Peter Hoggarth, David Woodward, Do animals have rights anyway? What about your pet? Are they looked after properly? Do rabbits need to wear make-up? Is it right that beagles should smoke cigarettes? What do you think about factory farming? Is fox hunting a sport or just plain cruel? This book takes a positive, light-hearted approach to the subject of animal rights, telling the message without distressing information. It outlines certain key areas in the debate on animal rights, from questioning what people eat, campaigning against animal testing, knowing what products to buy, to doing something positive for animals, for example, helping at an animal hospital/shelter.
