How central is narrative to Christology To human experience In exploring these questions Michal Cook maintains in *Christology as Narrative Quest* the primacy and centrality of narrative in communicating the significance of Jesus Christ, and demonstrates ways in which narrative in four faith images has played a role in the shaping of Christology. Graduate students, academicians, and others who want a scholarly or professional reference work will appreciate this substantive look into the relationship of narrative and Christology. Chapters examine the four faith images. They are *The Centrality of Narrative in Christology*, *A Biblical Image: The Beloved Son in the Gospel of Mark*, *A Creedal Image: The...*
