Brand New Book ***** Print on Demand *****.A thirty-year retail automotive veteran of sales and management brings his insider s secrets to **How To Buy A Car Or Truck: An Insider s Guide To Saving Thousands Of Dollars**. John Kelly has been a sales person, finance manager, used car manager and general sales manager. He s worked for large and small dealerships, with luxury, domestic and foreign brands. In this book he ll help you buy a car or truck and potentially save you thousands of dollars. No doubt about it, buying a car or truck can be a stressful experience. Why is it so hard to buy a car? Because most people have not yet learned to use all the resources available. They are also unaware of how the car business works. So what s the answer? A different approach that uses information found online along with an insider s view of the car business, which is revealed in this book. If you change the process you use to shop and make a buying decision you will know what awaits you when you go in to test drive and buy a car. Your expectations will be based on the knowledge you ve gained. When you go into a dealership potential stress turns into excitement the way the car buying process can be. You need to know how the car business really works and how that knowledge can work for you. The more you know about each step along the way, the better equipped you are to get what you want. But even if you don t change the process you ve used in the past to buy a car or truck,...
