Lb INTRODUCTION The Elements of Biologies This elementary treatise on biologics appeared originally in manuscript form and was designed primarily for the instruction and exclusive use of Lilly representatives, to enable them to handle the biologic line intelligently. It was prepared with a three-fold object in view; i. e. , to serve as a review of lectures on biology and bacteriology given in the Lilly Sales Schools, to aid representatives in the use of other literature on Lilly Biologics, and to provide a reliable source of information on the elements of Biologic Therapy. It is very important that the representative should be able to discuss intelligently the theories underlying the manufacture and use of all the biologic products, to answer questions asked by physicians and others, and to have a genuine confidence in himself when talking biologics that will...
