Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Lichtentag Paragon Shorthand: A Vast Improvement in the Art of Shorthand; Seven Easy Lessons The preface which follows was written for the first edition of Paragon Shorthand which appeared in the year 1906. Since that time thousands of copies have been used and Paragon Shorthand now counts its devotees in almost every part of the civilized globe where there are English-speaking people. The author is in possession of stacks of letters from students of Paragon, many of whom previously wrote some other system, expressing complete satisfaction with Paragon Shorthand and setting forth that the system has more than fulfilled every claim made for it. Business schools are now using this book and Boards of Education of various cities have adopted it for their High Schools, discarding the systems previously taught. Journals of the shorthand profession are now beginning to publish editorials and articles by expert reporters, which support the correctness of the principle on which Paragon Shorthand is founded: That speed in writing shorthand is more a matter of manual dexterity than the result of...
