Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Report of the Committee on Municipal Service Survey Dear Mr. President: On March 6, 1915, you appointed the following Committee on Municipal Service Survey: Messrs. Baskerville, Clark, Parmly, Storey and Duggan (Chairman). The Committee was directed, generally speaking, to consider and to report the ways in which the College might be of service to the City government in preparing students for positions in the City employ and in improving the efficiency of those already in the City service. The Committee met on March 9, 1915, and after a careful consideration of several plans decided to limit its investigations, at first, to those departments of the City government the work of which is of high educational or technical character and for which the College could directly prepare - especially the Departments of Finance, Health, Education, and Public Works. Moreover, as the detailed investigation would require a great deal of time and effort, it was decided to request the President to appoint a sub-committee composed of representatives from the College departments most interested. They were to gather for the heads of departments the information that would enable the latter to determine the ways in which they could best cooperate with the departments of the City government. Prof. Breithut of the Department of Chemistry, Prof. Goldfarb of the Department of Natural History, Prof. Klapper of the Department of Education, Prof. Woolston of the Department of Political Science and Prof. Parmly of the Department of Physics formed with the Chairman this subcommittee.
