

In the Shadow of the Dam: The Aftermath of the Mill River Flood of 1874

By Elizabeth M. Sharpe

Free Press. Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 8.8in. x 6.0in. x 0.8in. Early one May morning in 1874, in the hills above Williamsburg, Massachusetts, a reservoir dam suddenly burst, sending an avalanche of water down a narrow river valley lined with factories and farms. In just thirty minutes, the Mill River flood left 139 people dead and 740 homeless -- and a nation wondering how this terrible calamity had happened. In this compelling tale of a man-made disaster peopled with everyday heroes and arrogant scoundrels, Elizabeth Sharpe opens a rare window into industry and village life in nineteenth-century New England, a time when dam failures and other industrial accidents were widespread and laws favored factory owners rather than factory workers. In the Mill Valley, the townsfolk depended upon generally benevolent patriarchs who assured them that the dam was safe, when most people could see that it was not. The story of the Mill River flood is the story of those townsfolk: of George Cheney, the dam keeper whose repeated warnings about leaks in the dam had been ignored by the mill owners; of his wife, Elizabeth, who watched in disbelief as the dam burst open from the bottom;...
