Brand New Book ***** Print on Demand *****.If Tomorrow Never Comes is about helping parents to realize their responsibility for the spiritual education of their children. More often than not, parents are only concerned with the physical care of their children and give little or no consideration for their spiritual needs. Many parents think that their young children are not able to understand spiritual truths or even worse, don't need to know about such things while they are still small. The Word of God is very clear about the need for every person, young or old, to have the opportunity to hear the Gospel and have the chance to receive eternal life through faith in Jesus Christ. This applies to children as well. Matthew 18:14 says: Even so it is not the will of your Father in heaven that any of these little ones should be lost. Every person who dies without Christ is lost forever. This book is about helping parents to share the Gospel with their young children and giving them the opportunity to receive Christ as their Saviour. By doing this they will be able to have peace of mind of knowing that their child is in the presence of God should the unthinkable happen and their child die.
