Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Shelly s long-time professor friend (Chandler Rowe) vanishes from a bed and breakfast in Oaxaca City, Mexico in 1995-the day before their National Science Foundation-funded project is to begin at the ancient capitol of the Zapotec empire (Monte Alban). Rowe tells Shelly on the phone that he has found a new tomb full of bones and gold but his phone goes dead in mid-sentence. By the time Shelly and her crew reach Oaxaca Rowe is a wanted man with a price on his head-accused of stealing the gold. She learns that the night before Chandler s discovery several government officials were murdered at Monte Alban in an area known as the Danzantes (Dancers) by men dressed as ancient Zapotec warriors. A revolutionary group-the Juarezitas-is blamed for the murders. Shelly arranges with the Regional Museum to recover the bones and remaining artifacts from the tomb but the ancient Zapotec warriors enter the tomb at night with pitchforks and skimming shovels and scramble the bones looking for more gold. In the meantime the spiritual leader of the Juarezitas (a pious champion of virtue named Fray Bartolome) is stirring up congregations in the rural churches intent on taking over the government of Oaxaca. Working with the police Shelly learns that the corrupt Governor is using the Zapotec warriors to frame the Juarezitas and destroy his political enemies. When the police chief sides with the Juarezitas his forensics team is murdered and the evidence they have gathered disappears. In a further effort to implicate the Juarezitas the bodies of the forensic team are tied to steam pipes in the basement of the Governor s Palace to represent Swimmers (sacrificial...
