## The Well-Dressed Ape: A Natural History of Myself

---

By Hannah Holmes

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. THE WELL-DRESSED APE, aka Homo sapiens, is a strange mammal. It thinks of itself as complex, intelligent, and in every way superior to other animals but is it, really? With wit, humility, and penetrating insight, science journalist Hannah Holmes casts the inquisitive eye of a trained researcher and reporter on herself. And not just on herself, but on our whole species what Shakespeare called the paragon of animals. In this surprising, humorous, and edifying audio, Holmes explores how the human animal fits into the natural world, even as we humans change that world in both constructive and destructive ways. Comparing and contrasting the biology and behavior of humans with that of other creatures, Holmes demonstrates our position as an animal among other animals, a product of and subject to the same evolutionary processes. And not only are we animals we are, in some important ways (such as our senses of smell and of vision), pitifully inferior ones. That such an animal came to exist at all is unlikely. That we have survived and prospered is extraordinary. At the same time, Holmes reveals...
