When slighted, misunderstood, cut-in-front-of, annoyed, taken advantage of, or treated rudely, most people avoid their bosses, ignore co-workers, change hairdressers, complain to friends, shout and pound their fists. They often miss the most positive, effective alternative of all: confronting positively. Now, for everyone who was never taught, or never realized, that between bully and wimp is a range of behavior that is positive, dignified, and effective for dealing with life s bothersome situations, there is The Power of Positive Confrontation. This practical, step-by-step guide will not only improve your ability to confront others, but will also help you to live a more conflict-free life.
