Filesize: 2.63 MB

Reviews

This publication is definitely not simple to begin on studying but really exciting to read. It is actually rally fascinating through reading time. Your life span will be enhance when you complete looking at this publication.

(Laurence Littell)

START RUN A MEDICAL PRACTICE (MIXED MEDIA PRODUCT)

Self Counsel Press, Canada, 2010. Mixed media product. Book Condition: New. 246 x 206 mm. Language: English . Brand New Book. Do you dream of running your own medical practice but don t know where to start? Medical schools often don t teach up-and-coming doctors everything they need to know about how to establish an independent practice. Start Run a Medical Practice is written by a medical doctor, but the advice offered is also relevant to those in similar professions, such as chiropractors, dentists, naturopaths, optometrists, osteopaths, podiatrists, psychologists, veterinarians, and other health-care professionals. This book is a great guide for anyone who wants to open their own practice, whether they re a fully-qualified professional looking for a change or just thinking about pursuing a career in health care and want to do some initial research. Author Dr. Michael Clifford Fabian walks readers through in-depth discussions of business basics. It provides helpful pointers, and there are many resources and checklists provided on the CD-ROM (for use on a Windows-based PC).
