DIGITAL FABRICATIONS: ARCHITECTURAL AND MATERIAL TECHNIQUES

To download **Digital Fabrications: Architectural and Material Techniques** PDF, make sure you click the web link below and download the document or have access to additional information which are have conjunction with DIGITAL FABRICATIONS: ARCHITECTURAL AND MATERIAL TECHNIQUES book.

Princeton Architectural Press. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 8.4in. x 6.9in. x 0.5in. Architectural pioneers such as Frank Gehry and Greg Lynn introduced the world to the extreme forms made possible by digital fabrication. It is now possible to transfer designs made on a computer to computer-controlled machinery that creates actual building components. This file to factory process not only enables architects to realize projects featuring complex or double-curved geometries, but also liberates architects from a dependence on off-the-shelf building components, enabling projects of previously unimaginable complexity. Digital Fabrications, the second volume in our new Architecture Briefs series, celebrates the design ingenuity made possible by digital fabrication techniques. Author Lisa Iwamoto explores the methods architects use to calibrate digital designs with physical forms. The book is organized according to five types of digital fabrication techniques: tessellating, sectioning, folding, contouring, and forming. Projects are shown both in their finished forms and in working drawings, templates, and prototypes, allowing the reader to watch the process of each fantastic construction unfold. Digital Fabrications presents projects designed and built by emerging practices that pioneer techniques and experiment with fabrication processes on a small scale with a do-it-yourself attitude. Featured architects include Ammar Eloueini DIGIT-AL Studio, Elena Manferdini, Brennan Buck, Michael Meredith MOS, Office dA, Mafoomby, URBAN AO, SYSTEM Architects, Andrew Kudless, Iwamoto Scott, Howeler Yoon, Hitoshi Abe, Chris Bosse, Tom Wiscombe Emergent, Jeremy Ficca, SPAN, Urban A and O, Gnuform, Heather Roberge, Patterns, and Servo. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
