Have you taken your business from good to great, only to find that great still isn't cutting it? Are you making all the right moves in your career and still not receiving the recognition you have earned? Why do companies like Apple get all the attention, when you have difficulty getting anyone to focus on your efforts? In our homogenized world, companies in every sector--from big-box retail to financial services; from fast food to entrepreneurs--appear more and more alike, as do the tweets and LinkedIn pages of professionals across the country. In engaging, story-filled prose, McKain lays out the cornerstones of distinction and equips you with the specific tools and knowledge you need to stand out. Whether you're in the C-suite of a multinational company or just vying for your next promotion, you'll learn how to rise above the fray and make your work unmistakable. With this practical advice, you'll feel confident stepping up from...
