Reviews

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).
(Taylor Medhurst)*

WHERE I LIVE: NEW AND SELECTED POEMS

Bloodaxe Books Ltd. Paperback. Book Condition: new. BRAND NEW, Where I Live: New and Selected Poems, Arundhathi Subramaniam, "Where I Live" combines Arundhathi Subramaniam's first two Indian collections of poetry, "On Cleaning Bookshelves" and "Where I Live", with a selection of new work. Her poems explore various ambivalences - around human intimacy with its bottlenecks and surprises, life in a Third World megalopolis, myth, the politics of culture and gender, and the persistent trope of the existential journey. They probe contradictory impulses: the desire for adventure and anchorage; expansion and containment; vulnerability and strength; freedom and belonging; withdrawal and engagement; and, an approach to language as exciting resource and desperate refuge. Her new poems are a meditation on desire - in which the sensual and sacred mingle inextricably. There is a fascination with the skins that separate self from other, self from self, thing from no-thing. These are poems of dark need, of urgency, of desire as derailment, and derailment as possibility.
