

Milkshakes

By Bryan Engler

Advanced Vivarium Systems Inc., U.S. Paperback. Book Condition: new. BRAND NEW, Milkshakes, Bryan Engler, An elite member of the kingsnake family, the milkshaker is found exclusively in the Americas and has one of the largest ranges of all snakes. Milkshakes by Bryan Engler and Jerry Walls is devoted to this most diverse of snakes, whose color variations in the pet world exceed those found in nature, illustrating how wildly popular milkshakes are with hobbyists. Thanks to milkshakes' hardiness, ease of breeding and feeding, and generally friendly nature, these attractive snakes have few disadvantages for keepers. They're modestly sized (maxing out at 3 or 4 feet), and their many colorful patterns are undeniably eye-catching, as captured in the photographs of this book. This Advanced Vivarium Systems title includes information about selecting and purchasing a healthy milkshaker, housing and maintenance needs, feeding, handling, and health care. A separate chapter on diseases and disorders provides a complete primer on the health needs and veterinary care. The authors discuss fifteen superb milkshakes in the chapter "The Most Popular Milkshakes," from the black milkshaker to the Utah milkshaker, offering descriptions and color photographs of each. The chapter "Almost Milkshakes," covering six similar kingsnakes, and a fascinating...

Reviews

Merely no words to explain. I really could comprehend everything out of this published ebook. I found out this publication from my dad and I suggested this publication to learn.

-- Prof. Margarita Ledner PhD

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.
