Lantern Publishing Ltd, United Kingdom, 2016. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book. The 2016-17 edition of A Handbook for Student Nurses has been brought completely up to date to incorporate the latest developments in the health service, such as: * the new NHS whistleblowing policy * Leading Change, Adding Value, the framework for nursing, midwifery and care staff * the revalidation process for qualified nurses. References have also been comprehensively updated. The book provides an introduction to the essential background knowledge that pre-registration nursing students need as a foundation for their training. It covers the core of first-year nursing studies: * Legal and professional issues * Communication * Values and health care ethics * Reflection and personal development * Evidence-based practice * Study skills * Medicine, IV fluid and drug administration. Case studies and examples, activities and reflection points all aid learning, while references to legislation, key documents and reports, and website links to relevant organisations provide easy access to core information. A Handbook for Student Nurses is widely recommended in institutions across the UK and is essential reading for new students.
