It will foster the necessity of coordinating particularly marketing and logistics functions. The use of electronic commerce will lead to significant reductions in cost and increased revenues(sections 6 to 10). The most important being: significant reduction in distribution cost (section 9).Incremental revenues through reduced inventory of seats (section 8)The costs of implementing electronic commerce are significant, however savings in airline operations costs of up to 70% have been reported, depending on the share of electronic tickets. As long as this share remains low, short-term revenues cannot be expected (section 11). 32 pp. Englisch.
