COMPARISON OF INVESTMENT CASTING PREPARED FOR BIO-MEDICAL APPLICATION

Book Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | with wax pattern and ABS pattern | The purpose of the present study is to compare investment castings prepared with conventional wax based patterns and Acrylonitrile Butadiene Styrene (ABS) based patterns for bio-medical implant (hip joint). Starting from the identification of component, patterns with three different types of pattern materials (namely: wax, ABS and ABS+wax) were prepared under different experimental conditions. Dimensional measurements were made on the final castings prepared. The...
