Neuware - Diploma Thesis from the year 2003 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, Social Media, grade: 2,5, Maastricht University (Marketing), language: English, abstract: Inhaltsangabe:Abstract: Changing market conditions have made it tougher on companies to stay competitive. Long-term customer bonding can provide a competitive advantage. Today's customers' wishes have put forth the need for experience marketing though. This trend has to be taken into account when planning on bonding with customers. One way to create a platform for experience is event marketing. This final thesis focuses specifically on the use of events with regard to customer relationship bonding. In this study, an answer will be provided to the following problem statement. Event marketing supports bonding by providing an opportunity for direct and personal contact between a company and its customers. Furthermore, customers are offered the possibility to experience a company and its products in a pleasurable surrounding. Events can either be business- or leisure-oriented, depending on the overall character of the event. Events provide a variety of advantages to both the company and...
