

Alternative Educational Futures

By Sohail Inayatullah

Sense Publishers. Paperback. Book Condition: New. Paperback. 324 pages. Dimensions: 8.7in. x 6.0in. x 1.0in. We desperately need the dynamic revolution in education that this book offers us, reflecting the new ways of thinking and being on this planet that will permit us to live in peace as a global family even through massive climate changes. Read it and put these ideas into practice as quickly as possible in any ways you can! ELISABET SAHTOURIS, Evolutionary biologist and futurist, author of *EarthDance: Living Systems in Evolution* Fasten your seatbelts before you enter this collection of provocative, sometimes brilliant, essays, because it will take you at warp speed on a journey to many places you have not conceived of before, places where your past understandings and current beliefs may be shaken up. Basing their work on theory, imaginative thinking, empirical social research, or case studies, the authors map, create, explore, and evaluate alternative futures for education, from grade schools to universities and beyond. Every educator—indeed every citizen—ought to read this book as an inspiration and guide to making teaching and learning more effective, appropriate, equitable, and flexible in a rapidly changing world. WENDELL BELL, Yale University, Author of *Foundations of Futures Studies*...

Reviews

This book will never be straightforward to start on reading through but quite enjoyable to learn. Better than never, though I am quite late in starting reading this one. Your lifestyle span will probably be converted once you complete reading this publication.
