

Marx Critique of Science and Positivism: The Methodological Foundations of Political Economy (Paperback)

By G. McCarthy

Springer, Netherlands, 2011. Paperback. Book Condition: New. 235 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.political economy. With this in mind the reader will be taken through three meta-theoretical levels of Marx method of analysis of the structures of capitalism: (1) the clarification of critique and method from Kant's epistemology, Hegel's phenomenology, to Marx political economy (Chapter One); (2) the analysis of critique and time, that is, the temporal dimensions of the critical method as they evolve from Hegel's Logic to Marx Capital and the difference between the use of the future in explanatory, positivist science and critique (Chapter Two); (3) and finally, critique and materialism, a study of the complexity of the category of materialism, the ambivalence and ambiguity of its use in Marx critical method, and the ontological and logical dilemmas created by the Schelling-Feuerbach turn toward materialism in their critique of Hegel (Chapter Three). The critique of political economy is, therefore, examined at the levels of methodology, temporality, and ontology. To what do the categories of political economy really refer when the positivist interpretations of Marx have been shattered and critique becomes the method of choice?...
