

Synopsis of Javanese Literature 900-1900 A.D.

Filesize: 6.51 MB

Reviews

This publication is fantastic. We have read through and i am certain that i will planning to read yet again yet again down the road. You wont feel monotony at at any time of your respective time (that's what catalogs are for concerning when you request me).

Book Condition: New. Publisher/Verlag: Springer Netherlands | The present "Literature of Java, Catalogue Raisonné of Javanese Manuscripts" is a publication of the Library of the University of Leiden. It is no. IX of the series "Codicæ Manuscripti" published by this Library, and it is made available to the public by the Royal Institute of Linguistics and Anthropology. Originally the work was only meant to be a sequel to Dr H. H. Juynboll's "Supplement to the Catalogue van de Javaansche en Madoereesche Handschriften der Leidsche "Universiteits-Bibliotheek" in two volumes. The second volume appeared in 1911. It soon became clear, however, that this was the opportunity to publish an English Catalogue which could be used as an introduction to the study of Javanese literature more easily than the previous Dutch catalogues could. It is a matter of fact that Dr Juynboll and his predecessors wrote their catalogues with the intention of providing information on Javanese literature in general, and for several decades their books did render excellent services to students of Javanese civilization. The differences in structure between the older catalogues and the present book will be explained in the introduction to the second volume. In two volumes the contents of the previous catalogues, increased by an equal quantity of new material, has been rearranged according to a new system. The third volume, containing illustrations, facsimiles of manuscripts, maps and a general index of names and subjects, is entirely new. | Preliminary Historical Remarks on the Literature of Java.- 00001 The Importance of Javanese Literature.- 00010 Javanese Literature and Javanese Civilization.- 00020 Outline of the Development of Javanese Literature, Four Eras.- 00030 The Javanese Language, historically.- 00035 Javanese Manners of Speech.- 00040 Forms of Literature, Prose and Rhythmic Prose.- 00050 Poetry ruled by Indian Prosody.- 00060 Poetic forms of indigenous origin,...
